

Events and Fundraising Volunteer

Role Description: As an Events and Fundraising Volunteer, you will play a pivotal role in organising events and fundraising activities to support the mission of The Wolfpack Project. Your efforts will directly contribute to creating engaging experiences and securing resources to empower young individuals in Nottingham.

Key Responsibilities:

- Help plan, coordinate, and execute conferences, fundraising events and campaigns in collaboration with the team.
- Research on potential sponsors, donors, and partners for fundraising initiatives.
- Assist in developing creative ideas for events and activities to engage the target demographic.
- Assist in coordinating logistics, including venue booking, equipment setup, and participant registration.
- Support team for events and fundraising activities.
- Monitor and evaluate the success of events and fundraising efforts, providing feedback for improvement.

Requirements:

- Passion for supporting positive mental health and combating loneliness among young people.
- Organisational, time management, communication and interpersonal skills.
- Ability to work collaboratively in a team and independently when necessary.
- Previous experience in event planning, fundraising, or related fields is desirable but not essential.
- Willingness to learn and adapt to new challenges.

Benefits:

- Gain valuable experience in event planning and fundraising within a dynamic and supportive environment.
- Letter of recommendation and reference from the charity
- Make a tangible impact on the lives of young individuals.
- Develop transferable skills in project management, communication, and community engagement.

Time Commitment: Flexible, with opportunities for both short-term and long-term involvement.
